

# Selection criteria

## 2019 Aboriginal Learner of the Year

This award recognises an Aboriginal person for their outstanding achievement as an adult learner.

Please address all points in the selection criteria within the specified word counts.

\*Nominations received from the community education sector will be considered favourably.

### Selection criterion 1

#### Learning Achievements (max. 400 words)

- Describe the personal impact that learning has had on the nominee.
- Describe the education achievements and employment outcomes that resulted from the nominee's learning experiences, including details of their learning pathway.
- Describe the nominee's future learning plans.

### Selection criterion 2

#### Personal skills and abilities (max. 200 words)

- Describe the skills and abilities the nominee has developed that can be attributed to their learning experience.

### Selection criterion 3

#### Other Achievements (max. 200 words)

- Describe other achievements, including assisting others to achieve their learning goals and participation in community development activities.

### Supporting documentation

- Testimonials/statements/references from tutors/mentors/case managers demonstrating evidence of the nominee's skills and learning achievements.
- Any other statements of support or references from other students and/or community members.
